Auditorium

The **generationsforpeace** Auditorium offers the perfect venue for staging your ceremonies, presentations, celebrations and events in the heart of Amman.

Located at the global headquarters of **generationsforpeace**, in the secure and peaceful Al Hussein Youth and Sport City, your special event in the 276-seat fully-equipped and recently upgraded Auditorium can also be combined with use of the purpose-built **generationsforpeace** Conference Facilities immediately beside the Auditorium.

By hosting your event at **generationsforpeace**, you and your guests will also be supporting the work of this unique Jordanian non-profit peace building organisation founded by HRH Prince Feisal Al Hussein: all proceeds from your use of the facilities go directly to supporting our programmes within the Kingdom.

Key facts that can make the Auditorium the perfect venue for your special day:

- 276 seats, arranged in theatre style, with possibility of additional seating.
- Large, deep stage suitable for major concerts, theatre productions, presentations, ceremonies, seminars, and product launches.
- State-of-the-art modern audio-visual technology providing integrated sound and lighting systems and projection for speeches, presentations, video films and more, all controlled centrally from a high-tech control room to set the lighting, music and ambience you want at each stage of your event.
- Simultaneous translation capability for multiple languages.
- Wireless internet (thanks to support of Orange) giving you and your participants fast connection, and live-streaming video options to connect with your stakeholders elsewhere.
- Fully air-conditioned with completely upgraded decoration, providing a fresh modern functional look that is flexible to meet your own branding needs to create the vision you want for your perfect event.
- Entrance foyer with reception area, cloakroom, and restrooms.
- Multiple options for refreshments, from coffee-breaks area in the garden to rooftop cocktails receptions, and full range of food menu options from light meals, buffets and seated menu banquets, using our premier-quality VIP-tent or the Grand Hall of our Conference Facilities.
- Access for wheelchairs throughout, including elevator to upper floors.
- Large back-stage area including five changing rooms, showers, and additional restrooms to support performers for the perfect performance on stage.
- A safe, secure, quiet environment, with good arrangements for parking in the heart of the city.
- Expert professional service and support from the **generationsforpeace** Venues Team to ensure the success of your event.
