Conference Centre

The generationsforpeace Conference Centre offers the perfect venue for your conferences, conventions, workshops, meetings, executive retreats, and celebrations - large or small.

Conveniently situated in the heart of Amman, in the secure and peaceful Al Hussein Youth and Sport City, the Conference Centre provides a wide range of options all in one place. The multi-functional facilities can also be used in combination with our 276-seat Auditorium.

By hosting your event at **generationsforpeace**, you and your guests will also be supporting the work of this unique Jordanian non-profit peace building organisation founded by HRH Prince Feisal Al Hussein: all proceeds from your use of the facilities go directly to supporting our programmes within the Kingdom.
